Lay Chair Ramblings...

It's 2025 and we look forward to the possibilities the New Year presents.

Will the year, global issues and things beyond our personal control, dictate how life moves on or will we have the biggest 'say'?

Will it be a better year for us all?

Will the world become more stable, a better place?

Will our plans become a reality even exceeding our hopes and expectations?

On New Years Eve, joyous revelling looked forward with great expectations. Firework displays across the globe were fantastic, Auld Lang Syne echoed across our nation, drinks flowed and a dram crossed many palates. Hope was high, 'Things will be better'. After Christmas, that winter break full of light, partying, families together, away breaks and more, it is back to work with a will. I hope all will have a positive feeling about their Monday mornings as they come round with clockwork regularity.

I guess that for some, with the major home building programmes going on wherever we go, thoughts might be about down-sizing, pastures new or a place in the sun. Other thoughts may simply wish for better health, longer days, less grey, warmth and Spring. Remember, that as soon as the grass starts to grow once more, the lambs will be chasing around and pronking in the fields again. What a lift nature can give us.

For myself I too feel uncertainty about the world that many I speak to share. The potential for disaster, man-made or natural, largely caused by man, seems to bug the back of the mind. Having renewed my commitment to the way of the Christmas Christ-child I find I have more peace about the way things are and, the way I am in my head, and life in general.

Take to heart the words quoted by king George VI concluding his Christmas Message in 1939 when World War II was heading for the grossest horrors ... 'I said to the man who stood at the gate of the year "Give me a light that I may tread safely into the unknown." And he replied, "Go out into the darkness and put your hand in the hand of God. That shall be to you better than light and safer than a known way."'

God Bless

George, Acting Lay Chair, The Asterby Group of Churches.

Welcoming the Year of the Snake: Chinese New Year 2025

As the calendar turns to 2025, anticipation and excitement build for the Chinese New Year, which this year marks the Year of the Snake. This vibrant festival, also known as the Spring Festival, is celebrated with grandeur and deep-rooted traditions across China and among Chinese communities worldwide. Date and Zodiac Significance.

Chinese New Year in 2025 falls on January 29th, ushering in the Year of the Wood Snake. The Snake is the sixth animal in the Chinese zodiac, symbolizing wisdom, intuition, and intelligence. Those born in the Year of the Snake are believed to be thoughtful, agile, and charming, making it a highly respected sign. Festivities and Traditions

The celebrations for Chinese New Year span 15 days, beginning with the New Year's Eve reunion dinner and culminating with the Lantern Festival. Here are some key traditions and activities:

Reunion Dinner: Families gather for a lavish meal on New Year's Eve, enjoying dishes that symbolize prosperity, such as fish (for abundance) and dumplings (for wealth).

Red Decorations: Homes and streets are adorned with red lanterns, couplets, and paper cuttings, believed to ward off evil spirits and bring good fortune.

Fireworks and Lion Dances: Fireworks light up the sky to scare away evil spirits, while lion and dragon dances fill the streets with energetic performances.

Giving Red Envelopes: Elders gift red envelopes filled with money to children and younger relatives, symbolizing blessings and good luck.

Cultural Significance

The Chinese New Year is more than just a festival; it's a time for family, renewal, and reflection. It's a period for honoring ancestors, reconnecting with loved ones, and expressing hopes for a prosperous future. Each day of the festival has its own specific customs and rituals, adding to the depth and richness of the celebration.

Modern Celebrations

In recent years, the Chinese New Year has taken on a more global dimension. Cities around the world host parades, cultural performances, and exhibitions, allowing people of all backgrounds to join in the festivities. In the digital age, social media and virtual events also play a significant role in bringing the spirit of the New Year to a broader audience.

CHRISTMAS SHOEBOX APPEAL

Many thanks to those who donated for this year's boxes.

At the time of writing this, over 8,000 boxes had already been filled & dispatched via the Jacob's Well Charity to Ukraine, Moldova & some African countries. Some boxes also go to needy families in the UK.

If anyone has any spare Christmas presents, maybe not exactly what you wanted or can use, these can be donated & I will take them to the Christian Centre in Grimsby where they begin filling boxes for next year in January. It is never too late to donate to this fantastic cause. You can leave any items in Donington Church, you can bring them to me at Braemar House, Asterby or I can collect them if you telephone 07802 537239, thank you, **Jan Croft**.

(Local Benniworth donations can also be given to Sue Montgomery 07826 772452 or drop in to Bramley House).

Newsletter December 2024

Membership of the Parish Council.

The parish council was delighted to co-opt Karl Kay and Kevin Main to the parish council at the meeting on 5 November 2024. David Bellamy was elected as a councillor in an uncontested election. We are grateful to Karl, Kevin and Dave for agreeing to be councillors. There are now two further vacancies on the parish council. We will display a notice on the noticeboard regarding these vacancies.

Flood Risk Management; the Parish council is addressing flood risk as a priority.

The Parish Council is working to reduce future flood risk and has paid to get the culvert cleared. It has been noted during these works that properties adjoining the culvert have put their grass cuttings on the culvert side of their fence which are in danger of falling into the drainage culvert. This could cause flooding issues and will increase parish council expenditure in clearing the culvert. Please could residents backing onto the culvert dispose of their grass cuttings in the appropriate waste bins. We are also aware of children playing in the culvert. Please could you ensure this does not happen.

The Parish council has reported the issue of the blocked drain from Meadowcroft to School lane on FIXMYSTREET. We would urge parishioners to report these issues on FIXMYSTREET as they occur. The more reports highways receive the more the more likely they will be to take action.

The Parish council is also looking into the possibility of clearing the ditch adjacent to Enfield Road.

Speeding ; your parish needs you!!!. Further volunteers are needed.

At the request of parishioners the Parish Council has purchased a speed gun. We need more volunteers to run the programme. Full training will be given. If you are willing to join the speed gun team please contact Dave Bellamy (01507 343862) or a Councillor.

New village signs

The parish council are looking into the costs of erecting two new village signs. We ran a competition with Donington on Bain Primary School who have designed the concept for the sign. Our initial investigations indicated a cost of between £1,200 and £1,500 per sign. We will need two signs. We are investigating more cost efficient options with local companies.

Dates of next parish council meetings

Tuesday 7 January at 8 pm, Tuesday 4 February at 8 pm

Christmas celebrations began with a Carol Service at St Julian's with the Banovallum Band. The Church, the Parish Council and Villagers all contributed to make it a happy, joyful event. St Julian's also hosted the Crib Service on 24th December.

Mr Keith Olivant again provided a Christmas tree for the village. This year it was decorated by Sue and Andy Kerr as Mr Graham Walker who has decorated the tree for a number of years announced his retirement. The Village expressed their thanks in a card made especially for him and signed by villagers.

The next meeting of the parish council will take place on the **29th January 2025**.

Items on the agenda will include :

- Reduction of speeding in the village and on Caistor High Street
 - Issues over hedge cutting in the village
 - Issues over the new substation
-

Good Friday Red Hill

There will be a meeting for all those interested in helping with the Good Friday Red Hill Service on Thursday February 6th, at 2pm, at The Plough, Main Road, Goulceby, LN11 9UT.

Anyone willing to volunteer to help on the day will be very welcome.

Parish Council Meeting

The latest meeting of the Parish Council took place at All Saints, Goulceby on Monday 2nd December at which two parish residents and the elected district councillor were also in attendance. The business that required conducting was quite short so there is little to report from the Council itself, the main item being the precept for the next year (2025/26). The draft minutes will be placed on the two village noticeboards and also on the Council website.

The next meeting of the Parish Council will be held on Wednesday 12th March 2025 at 7:00pm at All Saints, Goulceby.

Precept

The Council levies a charge on all households each year to fund its activities. The majority of the Council's spending (77%) goes on clerking, insurance and audit costs. The remainder is spent on maintaining two village planters, subscriptions, room hire, bank charges and miscellaneous administration costs. In the previous newsletter, comments were invited from residents around any specific projects which they thought could be supported by the Council. By the time of the last meeting, no comments had been received.

In setting the precept for 2025/26 the Council considered likely increases in clerking salary costs (inflation), newly introduced bank charges, increased audit costs and increased insurance costs. A decision was made to levy a total precept of £4,078 for next year which is paid across 126 households. This charge means a slight increase of 46 pence per household per month. Asterby and Goulceby's precept is the 26th lowest out of 102 Parish Councils in East Lindsey.

Speeding in the village

One matter considered by the Council was that of speeding in the village of Goulceby, particularly down Horncastle Road on the approach to the village where the limit reduces from 60mph to 30mph. This had been raised by a village resident and a suggestion had been made around considering installing a speed indicator display on the road. The Council noted that there have been no reported incidents due to speeding and the cost of any installation could be prohibitive. However, it was agreed to keep the situation under consideration and the Council would be grateful to hear views of residents on the matter. Please email the Parish Clerk at agparishcouncil@gmail.com

Council Vacancies

As previously reported, should anyone be interested in becoming a Parish Councillor they should contact the Parish Clerk, Diane De Halle, by emailing Diane at agparishcouncil@gmail.com

The current councillors are:

Jon Mold (Chair) - Sycamore Lodge, Goulceby
Ian Taylor - Lavoir, Goulceby
Graham Johnson - Lindores, Goulceby

Contact details are on the Council's website which can be found at <http://asterby-goulceby.parish.lincolnshire.gov.uk>

Winter preparation / Frequently Asked Questions

Is my area at risk of flooding?

Find out if your area is at risk of flooding, the current alerts and warnings that have been issued and sign up for free flood warnings here www.gov.uk/check-flooding or call the Floodline service on 0345 988 1188. Sign up for flood warnings here: www.gov.uk/sign-up-for-flood-warnings. An explanation about what flood warnings are and what to do is available here www.gov.uk/guidance/flood-alerts-and-warnings-what-they-are-and-what-to-do. You may find this document helpful on surface water flooding <https://www.gov.uk/government/publications/flood-risk-maps-for-surface-water-how-to-use-the-map> but if you do have concerns regarding surface water flooding, this will be addressed by the local authority.

What more can I do to protect my property? If you think you are about to be flooded (i.e. flood warning or severe flood warning issued) then please: Turn off your gas, electricity and water supplies, if it is safe to do so – do not touch an electrical switch if you're standing in water. Move your family, vehicles, pets and important items to safety e.g. upstairs or higher ground. Use flood products if you have them e.g. flood barriers or air brick covers. Follow advice from the emergency services or local council – you may be asked to evacuate. For information on Flood Products to help reduce the impact of flooding on your home e.g. flood doors, airbrick covers, visit www.bluepages.org.uk. Alternatives include putting soil in bags to go across doorways, and down the toilet/sink. You could prepare an Emergency Bag of essential items. This might include spare glasses, waterproof coat, medication and a copy of any recent prescription, water, food, insurance documents and pet food. You could consider hand sanitiser and a face covering too.

Do shop around to find the right insurance policy for you. Why not see if Flood Re can help – www.floodre.co.uk ? This is a joint initiative between Government and insurers aiming to make the flood cover part of household insurance policies more affordable. For advice about insurance look online here: www.gov.uk/prepare-for-flooding/get-insurance

News from All Saints – Goulceby

The Friends of Goulceby Church have been holding monthly coffee mornings through the winter months, which have been well attended. All are invited for coffee, cake and conversation in a warm and friendly place. Dates are advertised in the village noticeboards and in the parish newsletter. The restoration work has continued, with the replacement of the internal noticeboard by two generous woodworkers, and some further paintwork to the walls. This has improved the western corner of the church. The new plasterwork is drying out well, and further fundraising events are planned for 2025 to enable the interior decoration to go ahead. We thank all who have supported the church over the past year.

The history of Santa Claus is a fascinating blend of folklore, religious traditions, and cultural evolution.

Here's a brief overview; origins with Saint Nicholas Santa Claus traces his roots back to Saint Nicholas, a 4th-century Greek Christian bishop from Myra (modern-day Turkey). Known for his piety and generosity, Saint Nicholas was famous for secretly giving gifts to those in need¹. One popular legend tells of him providing dowries for three poor sisters, saving them from a life of hardship. Evolution of the Legend Over the centuries, Saint Nicholas's story spread across Europe. In the Netherlands, he became known as Sinterklaas, and Dutch settlers brought this tradition to America in the 17th and 18th centuries. The name "Santa Claus" evolved from the Dutch "Sinter Klaas".

Clement Clarke Moore and Thomas Nast In 1822, Clement Clarke Moore penned the poem "A Visit from St. Nicholas" (more commonly known as "Twas the Night Before Christmas", which helped shape the modern image of Santa Claus. Later, in the 19th century, Thomas Nast illustrated Santa as a jolly, rotund man with a white beard, wearing a red suit.

Modern Depictions The popular image of Santa Claus as a portly, bearded man in a red suit was further solidified by Haddon Sundblom's illustrations for Coca-Cola advertisements in the 1930s. Today, Santa is a beloved figure associated with Christmas, known for delivering gifts to children around the world on Christmas Eve. Cultural Impact Santa Claus has become a symbol of generosity, joy, and the spirit of giving. His story continues to be celebrated in various cultures, with traditions like leaving out cookies and milk for him on Christmas Eve.
