Priestly ponderings ...

I confess to reading a lot of novels over the past few months. I realise it is just escapism really and helps to cope with the ongoing irritation and when I feel that God must think, 'Oh no not her again!' As I pray for everything and everyone under the sun.

Looking back, as we have done over the past year, it seems fraught with danger and ongoing arguments and strife. It feels to me as if the whole world is up in arms about something and people have lost their ability to rationalise and to be calm rather than angry all the time.

My therapy training taught me a lot. One thing I did learn was that being depressed or in grief was often expressed outwardly and recognised in angry behaviour. I wonder if our whole country is suffering under loss from COVID. The loss of the people we love and our sense of going forward once more. Dare I also mention BREXIT, the stressed-out politicians, and the state of our country as described by our media?

I feel there is no way to start 2024 with a clean sheet and it left me wondering 'What would Jesus do and say about this?' He was not one to shirk the responsibility and he did remind us that this turmoil was all a part of our lives and we need, as Christians, to take a stance to support everyone prayerfully and kindly. You may think I am not being realistic in this, but I can confirm that it is recognised that prayer is a powerful thing when we do it. I firmly believe I have been lifted and supported by the many prayers said for my continued health improvement.

Jesus teaches us to love one another as he loved us and his Father loved him. The parables and stories in the bible highlight this all the time. We are asked to love our neighbour as ourselves and to love one another is an imperative. It is this love that sets us apart from others in a world that is lost in its own strife. Strife which leads to bitterness and violence. Jesus instructed His disciples to love each other as He has loved them so that the world will know that they belong to Him (John 13:35). The purpose of our harmony and love for each other is so that the lost world sees the difference Christ makes.

When we display our insignificant strivings before the world, we look hypocritical, and we risk others laughing at us thinking that we are wet and weak.

So, this New Year, may we have the courage to go forward into our world with love, kindness, generosity of spirit and the power of prayer to encourage others to do the same, with the grace of our Lord, Jesus Christ beside us.

Every blessing and love for 2024

Revd Cilla.

Asterby Group Thanks.

Many of you will know and remember the work of one of our Authorised Lay Ministers, Sarah Hamp. Sarah has left the area and is settled in her new home. We want to thank her for all the support and kindness she showed to the people who crossed her path in the Asterby Group and beyond. Sarah brought to her ministry many gifts and she shared them generously over the years. The members of the PCC and her many friends wish her well in her retirement.

Benniworth Group Thanks.

If you visit St Julian's Church Benniworth, one of the things you will notice is the beauty of the churchyard that surrounds it. Many of our dog walkers will see this very regularly. This does not happen by accident but by the generous time given by our volunteers. Chris and Charlie Raynor have let us know that they are stepping back after many years because of personal reasons. We thank them so much for the way they have up kept the churchyard with the support from Jonnie Moon who will be left to do this on his own in the coming year. If you feel you could help cut the grass in the churchyard please contact Chris and Charlie so they can give you heads up about what that entails.

Chinese New Year

10th February 2024

Chinese New Year, also known as Lunar New Year or Spring Festival, is China's most important festival. It is also the most important celebration for families and includes a week of official public holiday.

The history of the Chinese New Year festival can be traced back to about 3,500 years ago

There are 12 animals in the Chinese calendar including, ox, rabbit, dog, snake, horse, goat, monkey, rat, pig, tiger and rooster.

These animals are also associated with an element; earth, air, water, fire or wood.

2024 is the year of the wooden dragon or, as wood is described as green (trees), then also known as the year of the green dragon. The last wood dragon was in 1964

Red decorations are a common sight during Chinese new year. It is a lucky colour in China and billions of red envelopes are sent to family and friends each year to mark the occasion.

There are dragon dances, performances, and festival parades with music and acrobatics. The festivities continue for two weeks, finishing with a special lantern festival, which signals the end of the New Year celebration period.

People clean their homes and open their doors to let good luck enter. According to tradition, no one should pick up a broom in case you sweep the good luck for the New Year out of the door!

Benniworth Parish Council News

The Council met on 22nd November and welcomed Ann South as a co-opted member of Benniworth Parish Council.

An email has been received informing that the work to bury electricity cables had been temporarily stopped due to siting of the sub-station. Work will resume early in 2024.

ELDC have replaced the dog bin opposite the bus shelter with a litter bin.

A request has been sent for all salt bins to be checked and re-filled.

It was noted that the bus shelter roof is needing repair.

The Council was informed that both Charlie Raynor and Jonny Moon were unable to continue cutting the grass in the churchyard. Their contribution over the past years has made a huge difference and both were gratefully thanked for their efforts.

Benniworth Parish Council are presently searching for secretarial support. The role to include attending Council meetings, minute taking and typing correspondence together with maintaining paper and digital filing systems. Remuneration by arrangement.

Anyone interested in tendering for grass cutting or providing secretarial support contact Councillor Gill Stewart on 07778 149185.

Full details of the Minutes can be found on the Notice Boards and website.

Flooding

The Parish Council is taking steps to address the issue. During the recent floods we are aware that the Dyke was flowing freely and the blockage which caused the flooding was further along. The Parish Council is due to meet with a representative from East Lindsey District Council to investigate the cause of the blockage.

Christmas Tree in the Churchyard

The Parish Council would like to thank Ward and Taylor families for donating the tree lights and looking after the tree lights for the last 20 years. The Parish Council would also like to thank the Parker family who have donated a set of lights for the tree this year.

MUGA/PLAYGROUND

FANTASTIC NEWS!!!! The Parish Council have been applying for grant funding from various grant funding sources for a number of years and have finally been successful in their efforts. The Parish council is delighted to announce that a grant of £9,999 has been awarded from the National lottery for the MUGA refurbishment. A SECOND grant towards the remainder of the refurbishment costs has been awarded from UK Grass Routes funding. In total a grant of £17084 has been awarded from UK Grass Routes funding via East Lindsey District Council to cover 50% of the costs of two projects namely the refurbishment of the MUGA and resurfacing of the playground. The remainder of the costs for the resurfacing of the playground will be met from parish council reserves or any remainder from the MUGA project. As previously advised, these projects will not affect the precept. The projects will commence in the Spring. The MUGA and Playground are much appreciated village assets and we look forward to seeing these important village assets refurbished.

SPEEDING

Speeding is an issue that the Parish Council takes very seriously.

At the meeting on 7 November the Parish council agreed to the purchase of the speed gun. At the meeting on 5 December an invoice was paid for the signage and we expect the speed gun programme to commence in the near future. **FURTHER VOLUNTEERS ARE NEEDED.** If you are willing to join the speed gun team please contact Dave Bellamy (01507 343862). Further 40 mph repeater speed signs have been erected in the village.

DATES OF UPCOMING PARISH COUNCIL MEETINGS

Tuesday 9 January at 7.30 pm, Tuesday 6 February at 7.30 pm, Tuesday 5 March at 7.30 pm

The committee of Donington on Bain Village Hall would like to say a big thank you to all who supported our Craft Fayre on the 4th November. The weather was against us, but we raised £184 towards ongoing costs. A huge thank you to those who kindly donated cakes which were delicious !

Prayer Circle

For many years now the ministry and concerns of our Parish have been supported, anonymously, in prayer by a small group of people making up the Parish Prayer Circle. As the needs, both of the Church and World increase, the value and importance of this Ministry of Prayer also increases and we are looking for others to join us in prayer during these troubled and worrying times. **If you think you would like to be part of our Prayer Circle** and would like to find out more, please give me a ring and I'll put you in the picture. In the meantime, if you would like a friend, or a particular situation, to be remembered by our Prayer Circle, do please contact **Ann on 01507 313792**

Goulceby Auction of Promises

An extremely successful Auction was held at The Three Horseshoes on 27th October, with thanks to Ian and Denise for hosting the event.

The auctioneer did a wonderful job at increasing bids for each of the very generous and varied lots. A very enjoyable evening was had by all; a fantastic £3600 was raised for the Goulceby Church Restoration Fund.

Our thanks to all who attended, put in a bid and bought lots, with a very special thank you to Margot and Blue for organising the event.

Parish Council Meeting

The latest Parish Council meeting was held on Monday 11 th December at All Saints Church, Goulceby. The meeting welcomed the District Councillor and two residents. The minutes of the meeting will be posted on the Parish Council's website and village notice boards in due course.

It was noted that the Horncastle Road is now open with the repair works being concluded in November.

The Goulceby village defibrillator pads have been replaced and a defib' location sign has been purchased which will be placed in the community bus shelter in Goulceby.

The Quickline fast fibre broadband is now fully operational in Goulceby and a number of residents are now benefiting from the increased speeds that fibre brings.

The Parish Council successfully applied for a 100% Community Grant to replace the existing aged wooden noticeboard adjacent to the bus shelter in Goulceby. The new larger noticeboard will be sited within the community bus shelter. Thanks were conveyed to Cllr Daniel Simpson who helped secure this grant.

Flood: The risk of flooding in Lincolnshire is currently increased due to groundwater levels, with boreholes and aquifers being exceptionally high. Such heights are normal in January but very unusual in November/December. The Council has been advised that the flood alleviation scheme in Horncastle does not cover the beck that runs through Goulceby. A discussion took place around the recent flooding in Goulceby and what actions the Parish Council might take. Contact will be made with the relevant agencies to find out what future support and advice might be given to the village.

2024/25 Precept: The Parish Council levies an annual precept on 124 properties in order to raise revenue to fund its administration and other costs. The current precept raises a total of £1,980 per annum at a charge of £15.97 per household. At this level, the precept is 11 th lowest out of 100 Parish Councils in East Lindsey. The average precept in East Lindsey is £46.18 per household with the highest being a charge of £174.56 per household which is for a village with 1,088 households, raising a total of £190,000 for that Parish. The Parish Council operates on minimal costs, the most significant one being the employment of a Clerk/Responsible Finance Officer which is a statutory requirement which helps the Council to undertake its

Asterby and Goulceby Parish Council

statutory responsibilities and duties. Whilst the Parish Council does not have any actual facilities to manage, it does have to comply with all relevant Local Government legislation and this requires a certain level of administrative hours.

Following the recruitment of a new Clerk earlier this year, and with new Councillors coming on board, the Council reviewed the workload of the Clerk and found that the number of hours which were being paid represented about 65% of the actual hours required to undertake the minimum administrative work that is required by statute. As a result, the Council has had to increase the number of hours paid to the Clerk in order to make sure that it complies with National Minimum Wage legislation. Additionally, the Council is obliged to use pay rates set by the National Joint Council agreed for Local Government. Due to the recent high rates of inflation the new rates from April 2023 were increased to reflect this. There will also be a further increase from April 2024. The Council has no choice but to apply the national rates which increase the administration costs of the Council. The pay award plus the increase in paid hours to comply with statutory pay levels means that the precept has had to be increased simply to cover basic running costs. Additionally, the high inflation rates have affected other cost areas, for example insurance. A further cost that the Council now has to pay is the annual Audit fee at around £100. This Audit work was previously provided free of charge by an acquaintance of the previous Clerk. The Council does not have significant levels of reserves or other revenue streams and is unable to meet cost increases without raising the level of precept. At the meeting, the Council examined all budget lines in detail and agreed to increase the precept level for 2024/25 to £3,384. This is an increase of £0.94 per month per household.

Of the total precept, 76% funds the Clerk's salary and insurance premiums. The balance goes on Council subscriptions, newsletter, office costs, village plants, maintenance, provision for room hire and miscellaneous items.

The parish plan is due for renewal for 2024/25. Anyone with suggestions for items to be included on the plan should contact the Parish Clerk at agparishcouncil@gmail.com

Public Consultation on Greater Lincolnshire devolution deal : Lincolnshire County Council, North Lincolnshire Council and North East Lincolnshire Council have worked with Government officials to produce a devolution proposal. This means existing money and power can move from central government to decision-makers in Greater Lincolnshire. A survey has been produced in order to seek views from all stakeholders and this is available to complete on-line at: <https://www.letstalk.lincolnshire.gov.uk/devolution> - There are also a number of public drop in sessions being held across Lincolnshire. These can also be found by visiting the above link.

Asterby and Goulceby Parish Council

Update on the restoration of All Saints Church, Goulceby

An extremely successful Auction was held at The Three Horseshoes on 27 th October, with thanks to Ian and Denise for hosting the event. The auctioneer did a wonderful job at increasing bids for each of the very generous and varied lots. A very enjoyable evening was had by all; a fantastic £3,600 was raised for the Goulceby Church Restoration Fund. Our thanks to all who attended, put in a bid and bought lots, with a very special thank you to Margot and Blue for organising the event. The Friends of Goulceby Church are looking forward to running further events in 2024, with the aim of making our church a welcoming and comfortable centre for a variety of community activities.

Parish Council Meeting : The next scheduled Parish Council meeting is Monday 11 th March 2024 at 7:00pm and will be held at the Three Horseshoes. Residents are welcome to attend the meeting.

Parish Council Vacancies : Out of the six Council seats on the Parish Council, three still remain unfilled. These are technically relating to Asterby, but residents of both villages are free to take up these seats. If you would like to represent the Asterby and Goulceby Parish, please contact the Parish Clerk at: agparishcouncil@gmail.com

Callconnect Bus Service : It is worth another reminder that the Lincolnshire County Council 'Callconnect' Bus Service is now charging a reduced £2 bus fare on single rides (ends 31 st January 2024). Visit www.lincsbus.info or telephone 0345 234 3344 / 0345 263 8153.

FixMyStreet - Lincolnshire County Council - The Parish Council frequently receives reports from residents about highways-related issues around the local villages. Unfortunately the Council has no real powers or resources to solve highways matters and these are best reported to the County Council on-line via 'FixMyStreet'. FixMyStreet is a service that lets you report, view, or discuss local problems (like potholes, damaged highways, verges, broken signs, graffiti, fly tipping, or street lighting etc) in our local area. You can enter a nearby UK postcode, or street. This site is for reporting things which are broken, dirty, damaged or dumped, and need fixing, cleaning or clearing. Please visit the link below.
