September

Harvest

Festival

to October  
2023

## *Priestly ponderings ...*

We've arrived in September but what a summer we have not had. Did I miss it or was it really as wet as I thought? I am sorry for our farmers who must have been standing on their heads to work out when to harvest. So our harvest festivals may be more important this year than ever before, if they are not too exhausted to attend.

I have watched this celebration of our countryside and the generosity of God sadly become less attended over the past few years. I am sure our farms must celebrate the end to all the hard work that is required to 'safely gather in' their crops. Even if that extends only to a sigh of relief. Our young people have changed the meaning of Harvest too and maybe that has something to do with meals produced in factories rather than in our kitchens. Don't get me wrong, whilst I enjoy the chance to cook from scratch, I am not averse to the odd bought pie or pizza! Our local school at their harvest festival told us about the miles that some of our food travels to get to our door. So it's worth remembering those issues too.

So where does all this leave us in our faith? Well, for me, I guess it reminds me of the simple life. Or the simpler life where roast meat and vegetables was the order of the day. The veg more likely to be in season, when Summer was salad and Winter was warm, cosy foods. A less lavish and more simple way of eating meals.

It always strikes me, when I read both Old and New Testament, that life was simpler then too. Mind you there is nothing new is there? Near starvation, the Jews thanked God for the Manna that was their salvation. I would like to believe that UNICEF/SAVE THE CHILDREN, etc provide manna in a different way but just as important. Harvest in some countries doesn't exist because they are constantly on the 'bread line' and crops fail endlessly because of drought and war.

Jesus used the harvest, sowing and reaping, often in his ministry. He was not talking just about what people would have understood practically but he used these stories to illustrate that 'sowing' – sharing faith, testifying, talking about your story or 'reaping'-leading people to Christ are all important and when we 'harvest the outcomes' everyone benefits.

What do I mean by all this? Only that the acts of kindness and generosity are of benefit to all humankind and demonstrate our love of people and their needs,

especially when we have so much. So it is imperative that we do this, because loving our friends and neighbours is the right sort of harvest, whether we are Christians or not.

Heavenly Father, help us to remove our prejudices of race and upbringing; of what part of town a person lives in, or how much money others have; for being narrow and selfish in our outlook. Give us a world vision of the world-wide harvest that you are seeking in our day. Give us eyes to see how great this harvest can be and to volunteer to be your hands and feet on earth today. So that our food becomes working to do your will. That we may find fulfilment in knowing that we do all this in your name. Amen.

**Stamps, foreign coins and banknotes**, and postcards, used or new, are still being collected by Sue. All these items can be placed in the 'stamp collection boxes' in most of the churches or directly to me at Bramley House, Benniworth. **07826 772452**

**Used printer cartridges** can be left in the Benniworth Bus Shelter.

To advertise **FOR SALE** items please submit details to **Sue**  
Tel **07826 772452** or email - **moomoski@btinternet.com** - **£2 per item listed to advertise**

### *Prayer Circle*

For many years now the ministry and concerns of our Parish have been supported, anonymously, in prayer by a small group of people making up the Parish Prayer Circle. As the needs, both of the Church and World increase, the value and importance of this Ministry of Prayer also increases and we are looking for others to join us in prayer during these troubled and worrying times.

**If you think you would like to be part of our Prayer Circle** and would like to find out more, please give me a ring and I'll put you in the picture.

In the meantime, if you would like a friend, or a particular situation, to be remembered by our Prayer Circle, do please contact **Sarah 01507 343270** or me **Ann on 01507 313792**

## Newsletter - August 2023

### Speeding

Speeding is an issue that the Parish Council takes very seriously. At the meeting on 26 June, the Parish Council resolved to purchase a speed detection gun. We are liaising with a parishioner who has offered to complete some training on using the gun. He has also identified a number of volunteers to help with its use. Once the speed gun system is operating, we will have the data regarding the extent of the speeding issue. The Parish Council has requested, via Lincolnshire County Councillor Marfleet, a review of the speed limits in the village and a 20mph speed limit by the primary school. The Parish Council has also requested the erection of 40mph repeater signs along Station Road.

### Parking

As a result of pressure from the Parish Council over a number of years, there is a consultation underway regarding proposed waiting restrictions at the junctions of Main Road and Glebe Close, and Main Road and Chapel Lane. The Parish Council continues to put pressure on Lincolnshire County Council via Cllr Marfleet but progress is slow. If you wish to contact Cllr Marfleet directly regarding speeding or parking in Donington on Bain his contact details are : County Councillor Hugo Marfleet, Tealby, email Cllr.h.marfleet@lincolnshire.gov.uk 01673 838385 or 07432 723604

### Cemetery

The Parish Council has noted deterioration of the kerbing around grave 3 (Hughes).

If the family is still in the area, please contact the clerk (tel. 07795822701) or Cllr Beaney to discuss how to address the issue.

### Proposals to erect new village signs

The Parish Council is proposing to erect two new village signs. These will be silhouette style in powdered steel. The design concepts have been selected from the competition entries from the children at Donington on Bain Primary School.

### MUGA/playground

The moss has been removed from the MUGA, and the surface has been cleaned. The Parish Council is aware of damage to wood boards around the MUGA. Following a consultation with parishioners, an application for grant funding to refurbish the MUGA has been submitted. Whilst the Parish Council is sorry to see the preschool leave the village after so many years, we are delighted to take over its gym trail. Weather permitting, the equipment will be installed in the children's play area in early August.

Horncastle Theatre Company are delighted to invite you to their next production, 'Hospitals and Hospitality', performance dates, 6-9 September. Book your tickets at [www.horncastletheatre.co.uk/book-tickets](http://www.horncastletheatre.co.uk/book-tickets)

"Plaster" "Keeping Mum" and "Waiting" are taken from Visiting Hour by Richard Harris Set in a fictitious hospital during the late 1980's, a sweet and sour mixture of emotions laced with a heavy serving of humour. Based loosely around the visitors the patients receive the sharply observed characters are all larger than life and often hilariously funny.

Taken from "Alarms and Excursions" "Immobiles" and "Doubles" are two playlets in which we see the players embark on a voyage of misadventure and miscommunication, one by one, labour saving devices and even furniture become hostile. Doubles sees two couples having problems in adjacent hotel rooms. Immobiles, is acted out entirely over the phone as a couple try to decide where they should meet their German guests: Gatwick or Heathrow ....

# Asterby and Goulceby Parish Council

<http://asterby-goulceby.parish.lincolnshire.gov.uk>

There have been no Parish Council meetings since the last newsletter was published so there is no new Council business to report.

However, in other news: Horncastle Road, Goulceby - Closure. The Horncastle Road closure has been extended to 30th November (2023) to allow for remedial works to be carried out.

Fast fibre broadband - Residents of Goulceby will have seen swarms of technicians from a company called Quickline in the village recently. Quickline have just completed a full fast fibre installation across the village which will provide fast broadband connection speeds at around 100mbps. Being in receipt of Government grants, the company is rolling out fast broadband to more rural areas which traditionally only have very low broadband speeds. This new fast broadband should be available from around the beginning of November once commissioning and testing has been completed. Quickline are offering the first three months connection free for new customers. In addition to this, if customers have a contract with an existing provider which does not expire for some time, the company will provide the fast broadband "Free until you're free". This basically means that they will provide the connection free until customers' existing contracts expire.

More information can be found at <https://quickline.co.uk/> or direct contact can be made with the Quickline representative Kai.greening@quickline.co.uk, mobile 07512 331184,

## **Update on the restoration of All Saints Church, Goulceby**

A successful coffee morning was held by the Friends of Goulceby Church in July, when over £300 was raised. This, together with some very generous donations, has allowed work to continue on making the church weathertight. The roof and gutter systems have been repaired, and repointing of the external walls is due to take place in August. Fundraising will continue to allow replastering and rewiring internally. An Art and Craft exhibition is planned in the church in September, which will be advertised locally.

## **Up and coming local events :**

- Scamblesby Hill Climb – Sunday 3rd September
- Wragby Show – Sunday 3rd September

Parish Council Meeting - The next scheduled Parish Council meeting is Monday 2nd October 2023 and will be held at the Three Horseshoes at 7.30pm.

# ALUMINIUM CANS WANTED

I am collecting used aluminium cans towards raising funds to join a World Challenge in Mozambique 2025.

If you are able to help me by putting your used drinks cans in the black bin labelled 'cans' at the various collection points Silver Street, Benniworth next to Benniworth bus stop, outside Seymour House, next to the pub in Goucleby and TW Produce in Donington on Bain

It would be greatly appreciated!

They will be emptied frequently.

Many thanks, Polly

## News from the Dog Show in Benniworth in July

Over a £1000 was raised, after expenses of around £500.

So grateful for everybody turning up on a very windy day! Thankfully the rain held off until the bitter end.

A huge THANK YOU to all the volunteers, these things can't run without them. Well done to everybody in the awards but mostly I hope everybody enjoyed themselves.

It was a first for us.

A huge THANK YOU to the sponsors ...

## Goulceby Events

Our thanks to all those who attended recent events in Goulceby.

Sarah's Garage Sale raised £74.15, and the Coffee Morning, held in the Church, raised £331.12. All proceeds will go to the All Saints Church Restoration fund. Everyone's help, support and donations are much appreciated.

Together with some recent, very generous donations, we are able to continue with the repairs to the church. Our specialist church builder is coming soon to repoint some of the external mortar. This will ensure the church is weatherproof so that we can move onto the next stage of repair; the removal of the internal, crumbling plasterwork. Replastering will take place after a period of drying out.

Future events will be publicised in this Newsletter and around the villages.

## Pedigree Rare Breed Oxford and Sandy Black Pork Slow Grown, Grass Fed Lamb

Oxford Sandy and Black is one of the oldest pig breeds native to Britain.

Our pigs are suited to outdoor living and mature slowly in the heart of the Lincolnshire Wolds which helps to develop a rich and succulent flavour.

Purchase in boxes or individual cuts either fresh or frozen.

Our lamb is available from late summer onwards in half or whole boxes.

Slow grown and fed on grass for maximum flavour and minimal environmental impact.

Eating Local = Full traceability and low food miles.
